WOMEN SAFETY AND SECURITY

An awareness program on women's safety and security has been organized by G. Pulla Reddy Degree and P.G. College, in collaboration with G. Narayanamma Institute of Technology and Science, to educate girl students.

An introduction by Mrs. Ch. Usha Rani, Head of the Department of Computer Science, GPRDPGC, acknowledges the importance of women safety, followed by Dr. K. Murali Krishna, Principal of GPRDPGC and Dr. Madhava Reddy, Principal of GPRPC, addressing the purpose of this program. An invited speaker is Mr. Ajay Singh from Live Life Foundation, and the program is coordinated by Mrs. Aparna Tanam, Asst. Professor of GNITS.

ABHAYA is the Women's Safety Club formed at G. Narayanamma Institute Of Technology and Science, in association with SHE TEAM, which trains the students on how to face and build confidence in worse cases. ABHAYA also aims at instilling confidence in women and also taught to speak out against offenders so that their safety is not compromised. Around 250 girls have participated in this program. Members of ABHAYA train our girls in how to address peer-group safety concerns and reach out to the police directly and confidentially. Mrs. Srivally, associate professor of GNITS, also participated in this program.
